

Show the Love

February 2017

Help protect the places and life you love
from climate change.

Show The Love with us...

INSPIRING WOMEN

In February 2017, people across the country will make, wear and share green hearts to Show The Love for the places, people and life we want to protect from climate change

The Show The Love campaign is organised by The Climate Coalition, the UK's largest group of people dedicated to action on climate change and limiting its impact on the people, places and life we love at home in the UK and around the world. Together with Stop Climate Chaos in both Wales and Scotland we are over 15 million people from all parts of the UK.

Together, we want a world powered by clean and secure energy within a generation.
