The CFWI Committee for Public Affairs presents:

JODRELL BANK VISIT, SHOW AND LUNCH

Friday 12th June, 11am – 2pm

£26 per person

Come with the Public Affairs team to visit this UNESCO World Heritage site at **Jodrell Bank, Bomish Lane, Lower Withington Cheshire SK11 9DL**. Jodrell Bank's inspirational story includes revolutionary scientific discoveries, amazing feats of engineering, the dawn of the Space Age and the creation of the Grade I listed Lovell Telescope. A beacon on the horizon, it stands out on the Cheshire skyline as an icon of science, engineering, heritage, and curiosity. Jodrell Bank has been welcoming stargazers since the 1960s and now offers a day out of interstellar wonder, with live science demonstrations, planetarium shows and interactive exhibitions.

We will meet at 11 and visit the First Light Pavillion, where the story of the creation of Jodrell Bank is brought to life. We will then see an immersive show "We are Stars" in the Space Dome, followed by soup and a roll for lunch. After lunch, visitors are free to visit the rest of the site, which includes the Space Pavillion hosting a science exhibition and walking around the iconic telescope. There are free shows and talks available throughout the day. You are welcome to leave any time after lunch.
